EMBRYO TRANSFER RULE:

71 IAC 14.5-2-1.5 Embryo transfer registration

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 1.5. (a) In order to be eligible to register quarter horse embryo transfer foals as Indiana bred, foals must be:

- (1) foaled in Indiana;
- (2) the donor mare; and
- (3) recipient mare must be registered with the commission.

(b) The donor mare and recipient mare must be:

- (1) registered and have entered Indiana by November 1, 2008 and by July 1, 2009 and each year thereafter; and
- (2) both mares must remain in Indiana continuously until foaling.

(c) The donor mare and the recipient mare are limited to register one (1) foal each per foaling year as an Indiana bred.

(d) In the event there is more than one (1) recipient mare:

(1) one (1) recipient foal will be eligible to be registered as an Indiana bred.

(2) it is the sole responsibility of the owner of the donor mare to choose and register the foals that are to be eligible to the Indiana bred program.

(e) A copy of the donor mare registration papers and all lease agreements must accompany the application for identification and ownership purposes.

(f) All foals resulting from an embryo transplant or from the donor mare that will be eligible to be registered as an Indiana bred must be:

(1) microchipped (125 mhz) by a licensed Indiana veterinarian within thirty (30) days of foaling or before leaving the state whichever would be first.

(2) this shall be done at the owner's expense with a microchip approved by the breed development advisory committee.

(g) The recipient mare must be able to be identified by:

(1) Indiana Breed Development identification form;

(2) AQHA Certificate of Registration; or

(3) microchip (125 mhz), (must be done by a licensed veterinarian at the owner's expense), copies must accompany the application.

(h) The donor mare may leave the state to participate in:

(1) stakes;

(2) medical care; or

(3) a mare leaving the state for an advertised public sale may:

(A) be gone for the interval of the sale, but must return to Indiana within fifteen (15) days of her sale; and

(B) written documentation of the sale is required.

(i) The director of breed development must be notified in writing within fifteen (15) days of the departure and return of the advertised public sale.

(j) All mares in foal must be registered every year. *(Indiana Horse Racing Commission; 71 IAC 14.5-2-1.5; emergency rule filed January 24, 2008)*
